

12/0 Double Hook rig 7732ss

This Stainless Steel 12/0 Double Hook Rig was made to fit lures from 12-16 inches.

These hooks are ultra sharp and made of 316 grade stainless steel. They have a world-wide reputation for their excellent quality.

This rig is made at approx 30 degrees however if you undo the shackle you can twist the rig to any angle you like, you can even turn it around to 180 degrees.

We will happily rig any lure purchased from us with these hooks upon request.

Rigged with 600lb SS Wire and a Stainless Shackle this rig is worth around \$40 in shops.
