

Marlin & Tuna Teaser. Reflective Prisms. Game Fishing Teaser

This set of 3 Prism Floats is one the best game fishing teasers available.

These floats are as rare as hens teeth and to see them rigged and ready to fish is unheard of.

Made to tow as a stand alone game fishing teaser, behind a bird teaser, bowling pin teaser or off your rod. You can even hook a lure behind this teaser and kill two birds with one stone.

I guarantee you will raise more fish when using this teaser. They are unbelievable!

Each float is 6 inches long and has rattles inside. The total rig is around 1.5metres long.
