

10 Packs Sabiki Jap Bait Jigs. Suit Yakka, Herring, Garfish #8

Each Sabiki Jig contains 6 hooks baited with a glowbead and baitfish tail to get more hookups quickly. Simply attach a small sinker to one end and the other end to your mainline and jig up and down through schools of baitfish. If the baitfish are timid try putting small pieces of peeled prawn on each hook.

These Sabiki rigs are perfect for smaller fish like small Yakkas, Herring, Small Slimies and other baitfish.

Hook Length 14mm

Hook Gape 5.5mm
