

10 Packs Sabiki Jap Bait Jigs Horse Yakkas, Big Slimies #14

Each Sabiki Jig contains 6 hooks baited with a glowbead and baitfish tail to get more hookups quickly. Simply attach a small sinker to one end and the other end to your mainline and jig up and down through schools of baitfish. If the baitfish are timid try putting small pieces of peeled prawn on each hook.

These Sabiki rigs are perfect for fish like small Big Yakkas, Slimies and other large baitfish.

Hook Length 18mm

Hook Gape 7mm
