

6/0 Double Hook Rig 7691s

This Southern Tuna 6/0 Double Hook Rig was made to fit perfectly in any lure from 6 to 8 inches in length

These hooks are ultra sharp and of excellent quality stainless steel. They have a world-wide reputation for their excellent quality and make a great trolling lure hook rig.

We will happily rig any lure purchased from us with these hooks upon request.

Rigged with 4000lb SS Wire and a Stainless Shackle this rig is worth around \$30 in shops.

These rigs are available with stiff or swinging rear hooks. Please specify your preference at checkout of your order.
