

Richter 6" Hockzhead. Soft Head Tuna, Marlin, Mahi

The Hock'z head is sensational ultra light weight lure designed for targeting small to medium sized game fish on ultra light tackle in calm to medium sea conditions.

Its long tapered head and shallow cup shaped face impart a tight, irresistible wriggle that has given this lure the reputation of a true all time classic.

They are similar in size and shape to the Pakula Uzi but with a soft head.
