

Henderson Outrigger Poles & Bases. 4.5m. inc rigging kit

+ We will beat any advertised price on a similar product!

4.5m /15 feet Fibreglass Outriggers with Henderson Australia Gunnell Mount Bases.

Includes Rigging Kit This complete Outrigger Kit Includes:

- 2 x Henderson Australia Gunnell Mount Stainless Steel Bases. (Very similar to Reelax Gunnell Mount bases)
- 2 x 2pc 40mm Diameter Black Fibreglass Henderson Australia Outrigger Poles. 4.5m / 15 feet
- Rigging Kit with Release clips, either Outrigger Mono or Braided rigging line, crimps, swivels, eye straps, stoppers & snubbers.
- 6 x 316 Stainless Steel Eye Bolts
- 2 x Tip Rollers for the Poles

The 316 Stainless Bases have various adjustments that allow your poles to sit in any position you need them.

These outriggers can be mounted from any flat surface be it horizontal, vertical or on an angle. We can also make custom length snubbers at no extra charge if you need them longer or shorter for a tricky position on your boat.

All parts come with a Lifetime Australian Warranty. Easy to read rigging instructions with diagrams provided with each set of outriggers.

PLEASE NOTE THIS PRODUCT ONLY AVAILABLE TO AUSTRALIAN CUSTOMERS.
