

Pakula Shredder. Hot Frigate. 9.25" Jet

The Pakula Shredder is the latest and one of the most innovative releases from Pakula Tackle.

These lures are actually made using the latest in printing technology allowing designs to be made that were never before possible.

The XS Shredder is an excellent light tackle lure. Perfect for Marlin, Sailfish, Tuna, Mahi and other pelagics.

You can run it at virtually any speed but is best run at around 7 knots.
