10 x 12/0 Stainless Steel Sports Circle Hooks.

These hooks are forged from the highest grade of stainless for strength, anti corrosive properties and reliability. They are of the highest quality to guarantee excellent hook-ups.

Perfect sized circle hooks for fishing for kingfish, cobia, mackeral and other small to medium pelagics. Also suitable for reef fishing for snapper, pearlies etc in deep water as these hooks are a heavier gauge than regular small circles.

These hooks are my personal preference when live bait fishing with small to medium baits like Yakkas and Small Slimies.
