

Shark Rig, 16/0 Hook. 650lb wire. Makos, Bull Sharks, Tiger Sharks.

Monster Shark Rig.

This rig is made from stainless steel 650lb 316ss Nylon coated wire and a 16/0 Forged stainless circle hook.

The perfect rig for chasing monster sharks. The first 20cm of the rig is doubled and twisted to double the resistance to bit offs. We also attach a 5/0 Crane swivel to eliminate twist when retrieving baits and winding in beasts.

4m in length. If you need a different length please email us, we're happy to custom make rigs.
