

8" Tuna Master - Jet head Tuna Trolling Lure

The 8" Tuna Master is a super easy to run yet deadly trolling lure for chasing Tuna. Great on Yellowfin and Bluefin Tuna, but will also take it's fair share of Mahi, Small Marlin and other pelagics.

It has 8 jet holes and holds in tight with a great smoke trail.

Best rigging on 100-300lb [Momoi](#) leader with a [8/0 7691s hook](#).

This trolling lure is great to run as a long corner, long rigger or shotgun lure.

The head is 3d printed with the latest technology and designs not normally possible on a trolling lure.
