

Slapper Squid Daisy Chain. Deadly Daisy Chain Teaser

The Slapper Squid Teaser is a huge daisy chain of Squid rigged together with 300lb leader. Each 7" Slappy Squid has 2 smaller squid that slap along next to it.

There's a total of 4 sets of 7" squid with their smaller cousins, rigged in a daisy chain that will drive fish wild.

The action of this game fishing teaser is a skipping, slapping action that looks like a bunch of flying fish skipping along the surface. Mahi Mahi, Marlin, Sailfish, Tuna.. you name it ALL GAMEFISH LOVE THIS TEASER.

Total length is over 2m. Easy to run and very easy to pull in as there is nothing hard or heavy to damage your boat as it's dragged over the transom.

The Slapper Squid Daisy Chain comes rigged and teaser to fish. Can also be fished off your rod with a lure attached behind.

Originally designed by Bob Duckenfield of Jim's Bait & Tackle New Jersey, this style teaser is now world famous and simply deadly.

This colour is called Big Night. It's the ultimate on tuna!
