

Gaff - Tuna Gaff 1.8m. Fishing Gaff. 12mm heavy duty head.

This Black Pete Fishing Gaff has a black anodised finished, thereby resisting the ravages of corrosion when used in a saltwater environment. The hypalon grips ensure greater security when gaffing big, frisky fish.

This fixed gaff is 1.8m in length and are capable of handling everything from barramundi and big jewfish, right through to 100 kilo yellowfin tuna.
