

Deep Drop Rig - 6 Hook Electric Reel Rig

Deep Drop Rig - Lumo Yellow. 6 hook electric reel rig.

This rig is designed for deep drop fishing with electric reels. Each dropper is attached with a shark clip which allows easy and quick removal of droppers (hopefully with fish attached).

It is constructed with 400lb mainline and 14/0 sports circles hooks. Each hook is baited with a 4" Lumo squid

This deep drop rig is made to catch Blue Eye Cod, Harpuka, Gemfish, Bass Grouper and other medium to big ooglies.
