

8" Demon Hex Jet. Wahoo, Tuna, Mackerel Trolling Lure

8" Demon Hex Jet

High Speed Trolling for Wahoo, Tuna and Mackerel is made easy and super successful with the Demon Hex Jet.

At 8 inches / 20cm in length and 150gms they are made to run at speeds of 7-18 knots and when chasing big toothy fish like Wahoo the faster the better!

They have a deep cup face and jet holes that make them hold the water tight coming up every few seconds before diving back down and swimming like a fleeing fish.
