

Pakula Mini Sprocket Jet- Paua. Red Bait Billy

The Mini Sprocket is a long rigger lure with a tight swimming action primarily for use in calm seas up to a light chop.

This family of lures has been responsible for a great many of the successes of Pakula lures in fact as Peter Pakula says: "always run one of the Sprocket family in Lumo colours, and never move it!".

Style: Mini Jet Paua Sprocket

Length: 8.75 inches / 223mm

Colour: Illusion

All of our Pakula Lures are sourced directly from Peter Pakula and are Brand New Stock in the latest release colours.

This lure contains UV additives which make it glow in sunlight.
